Hi Jeremy

I have a few questions related to a proposed teachers strike in Pueblo .

If the strike continues for several days, wouldn't that require make up days at some point in order to fulfill the required student contact days?

Could a strike lasting several days, or even a week, potentially affect graduation ceremonies in June? I would imagine that seniors would have

To have a certain amount of hours in pocket before they can get the diploma.

As always, thanks for the help
